The Rockingham county delegation met in room No. 9, at 4.30 o'clock, and was called to order by George E. Hodgdon, chairman.

The committee appointed to take the matter of building a new court house and jail into consideration, made the following report:

Met in Dover, Monday, July 22, 1889. The committee examined the plans of the new court house to be erected there and found that they would not be suitable for a court house in Portsmouth. They next visited the new jail and made a thorough examination of it, and it was the unanimous opinion of the committee that it would not be a suitable jail for Rockingham county. The new court house to be built in Dover is to cost about forty-one thousand dollars. The new jail was built at a cost of twenty-eight thousand dollars. The committee next visited Portsmouth to see what could be done in regard to selecting a site for a new court house and jail. The committee examined the now present jail property on Islington street. They also visited and examined the Tredick property on State street, and were unable to decide on a suitable lot, and would recommend that the whole Rockingham county delegation visit Portsmouth and select a site for the new court house and jail.

The committee are of the opinion that a new court house and jail in Portsmouth would cost about sixty-five thousand dollars.

| | |
|--|--------------|
| Supreme Court, | \$500 |
| State pay-roll, | 2000 |
| Jury pay-roll, | 2000 |
| County Farm expenses, | 20,000 |

| Justices and officers' fees, | 1000 |
| Registry of Deeds and Probate expenses, | 500 |
| Miscellaneous, | 1000 |
| Total | \$55,500 |

The sums expended the current year were as follows:

| | |
|---|-----------------|
| Supreme Court, | \$952 58 |
| State pay-roll, | 2818 65 |
| Jury pay-roll, | 2246 80 |
| County Farm expenses, | 19,398 39 |
| Paupers off the Farm, | 14,746 12 |
| N. H. Asylum for Insane, | 597 46 |
| State Industrial School, | 821 14 |
| Jail expenses, | 7529 58 |
| Payment of interest, | 1170 00 |
| Sheriff, Deputies and Court Messengers, | 1082 23 |
| Commissioners, Solicitor and Treasurer, | 2479 92 |
| Justices and Officers' fees, | 1596 86 |
| Registry of Deeds and Probate expenses, | 588 28 |
| Miscellaneous expenses, | 1065 77 |
| Total, | \$57,093 78 |
| To which add: | |
| Aid to dependent soldiers and their families, | \$7161 30 |
| Repairs on County Farm buildings, | 1253 82 |
| New County buildings, | 13,581 60 |
| Interest on Loan for new County buildings, | 1000 00 |
| Total, | 22,996 72 |
| Total, | \$80,090 50 |

The County Farm and House of Correction are still under the management of Mr. and Mrs. Charles C. Tucker, who have performed the responsible duties of superintendent and matron in a manner to merit our earnest commendation.

The products of the farm were about on an average with those of the past few years, although the hay crop was large its value is not quite equal to former years, on account of continuous rains during its harvest.

The school is well managed and the attendance about the same, there being no material difference in its condition from former years.

There is a manifest decrease in justices and officers' fees and jail expenses from last year, which is the result of a decision made by the commissioners, that they had no authority under the statutes to pay officers' fees and jail expenses on account of persons convicted of offences against the police of towns.

There is a desire or disposition on the part of the selectmen of some of the towns to retain their poor until they are too feeble to be taken to the county farm, which adds materially to the expense of paupers off the farm.

The statute regarding dependent soldiers and their families has been the cause of a large increase in the amount expended for the relief of persons off the farm, as will be seen by reference to the financial report.

In anticipation of the appropriation made by the county convention for general repairs, new windows have been put in the almshouse, the roof thoroughly repaired, hog house rebuilt, stable shingled, a new coal shed erected at Epping, at an expense of \$1253.82, and the balance of the appropriation will be needed for painting almshouse and rebuilding the coal sheds at farm.

Owing to the delay in selecting lots, nothing has been done towards the erection of the new county buildings, authorized by the county convention, except the purchase of a site for the new court house and jail at Portsmouth.

We trust the citizens of the county will feel a sufficient interest in the county farm, to visit, inspect and advise, whenever and wherever they see cause. To be successful in the conduct of the county business under our charge we desire and need the friendly co-operation of all the citizens.

GEORGE W. SANBORN,

AUDITORS' REPORT.

EXETER, N. H., May 17, 1890.

We, the Auditors of the County of Rockingham, have carefully examined the accounts of the County Commissioners, for said County, and find them correctly cast and with proper vouchers for all expenditures. From the best evidence by us obtained, we are satisfied that the articles procured by the Commissioners for the use of the County have been purchased at a fair market value and have not been diverted from their legitimate use.

TIMOTHY F. CRONIN,
CHARLES PHILBRICK,
Auditors.

PHYSICIANS' REPORT.

To the Commissioners of Rockingham County.

GENTLEMEN : We respectfully submit the twentieth annual report of the medical department and sanitary condition of the county almshouse, house of correction and insane asylum for the past year.

During the winter months the prevailing epidemic of La-Grippe visited the institution, causing an unusual amount of sickness for a time, and claiming for its victims, in its results directly or remotely, several among the aged and infirm. Aside from the epidemic, general good health has continued among the inmates through the year.

The mortality rate has not been high, and confined mostly to the aged, several having died of extreme old age.

The sanitary condition of the institution has been maintained in its usual good order. The buildings have been properly heated and ventilated as well as conveniences would allow and kept in a state of cleanliness conducive to the health and comfort of the inmates.

There are now in the insane asylum patients 54, all chronic cases with one exception. We believe the condition and existence of this unfortunate class of humanity is rendered as comfortable as circumstances will permit.

In compliance with the new statute regarding the care of the insane, several of the more hopeful cases have been removed to the State Asylum for further treatment, in hopes they may thereby be restored to a greater degree of mental soundness.

There have been twenty-seven deaths and one birth in the institution during the year.

Minnie M. McIntire died May 29, 1889, of premature birth, aged one day; admitted May 28, 1889. Born on the farm.

CHAPLAIN'S REPORT.

To the Honorable Board of Commissioners for Rockingham County.

GENTLEMEN:—There has been very little, if any, change in the duties of the Chaplain during the past year.

Preaching regularly on the Sabbaths designated, visiting the sick, infirm, and unfortunate, and doing all we consistently can for the religious benefit of the inmates of the institution; thus is our time occupied while at the farm.

As is usual, all deceased inmates buried in the farm cemetery the past year have had the benefit of special funeral services.

The attendance on the chapel services is remarkably good; especially so as all who attend do so voluntarily, and the exercises we think are never without interest and profit. The music, both vocal and instrumental, is still under the direction of Miss Gracie Tucker, (Superintendent's daughter), assisted by Miss Mabel Taylor. This part of divine worship seems highly enjoyable to the inmates and is quite generally participated in by them.

Miss Taylor also conducts a Sabbath school on each Lord's day at 4 o'clock, P. M. All, both old and young, are at liberty to attend and doubtless are benefitted thereby.

These several services have the full endorsement of the Superintendent and Matron, as is evidenced by their constant presence and help. In fact whatever is done for the religious welfare of the inmates at Rockingham County Farm, has their most cordial approval.

We wish, in closing this brief report, to express our sincere and grateful thanks to Mr. and Mrs. Tucker for their unwearyed and ever increasing kindness to us personally.

Our thanks also, are due to all subordinate officers connected with the institution, for they too have shown us many courtesies.

Respectfully submitted,

MAY 1, 1890.

W. H. JONES, Chaplain.

At the Easter services, conducted by John S. Rand, in behalf of an unknown friend, a card and book were presented to each inmate; Rev. Rush Rheese, Rev. Mr. Adams and others assisted, and the singing of the Glee Club and ladies made the occasion a success and much enjoyed.

Many have liberally contributed reading matter, and we are greatly indebted to the Young Men's Christian Association, and the Portsmouth Book Club.

Dr. Berry reports of the Portsmouth jail as follows:

PORTSMOUTH, N. H., April 30, 1890.

There has been throughout the year an unusual amount of sickness, much of which was due, directly or otherwise, to the influenza which was generally prevalent among the prisoners during the latter part of the winter. No instance of contagious disease has been noted.

While the construction of the building is, from a health standpoint, wholly bad, the cells and other living quarters have been maintained in the best possible condition of order and neatness and no neglect of sanitary precautions has been observed.

Those in charge have been found efficient and considerate in the performance of their duties and the general management of the jail all that could be desired.

JOHN J. BERRY, M. D.

EDWARD D. COFFIN, SHERIFF.
